An impromptu wedding—one night of escape.

That's all Laurel Worthington's joke marriage to Brett Matthews was ever supposed to be. But somewhere between the tacky Reno ceremony and annulment day, the troubled socialite surrendered to the romance of a honeymoon night and her wealthy husband's undeniable charm. When Laurel finds out her faux wedding has produced a very real result, she reaches out to Brett for help. But what can she expect from a virtual stranger—even if he is the father of her unborn child?

After Brett discovers Laurel is pregnant, he sets his mind on marrying her. He's determined to be the kind of father he never had. But this time around, Laurel will only settle for a love match. Despite their overwhelming chemistry, Brett isn't convinced he can give her what she needs. Is he capable of stepping up and being the kind of husband and father his new family deserves?

One Night to Forever series:
