

Download They May Not Mean To, But They Do free Cathleen Schine (PDF, ePub, Mobi)

From one of America's greatest comic novelists, a hilarious new novel about aging, family, loneliness, and love

The Bergman clan has always stuck together, growing as it incorporated in-laws, ex-in-laws, and same-sex spouses. But families don't just grow, they grow old, and the clan's matriarch, Joy, is not slipping into old age with the quiet grace her children, Molly and Daniel, would have wished. When Joy's beloved husband dies, Molly and Daniel have no shortage of solutions for their mother's loneliness and despair, but there is one challenge they did not count on: the reappearance of an ardent suitor from Joy's college days. And they didn't count on Joy herself, a mother suddenly as willful and rebellious as their own kids.

The *New York Times*-bestselling author Cathleen Schine has been called "full of invention, wit, and wisdom that can bear comparison to [Jane] Austen's own" (*The New York Review of Books*), and she is at her best in this intensely human,

profound, and honest novel about the intrusion of old age into the relationships of one loving but complicated family. *They May Not Mean To, But They Do* is a radiantly compassionate look at three generations, all coming of age together.
