The true story of a fiery young woman's heartwarming and hilarious journey that takes her from near-death in California to a trip around the world in search of her ultimate salvation. Along the way, she discovers a world of cultural mayhem, radical medical treatment, and, most importantly, a piece of her life she never even knew she was missing.

When Amy B. Scher was struck with undiagnosed late-stage, chronic Lyme disease, the best physicians in America labeled her condition incurable and potentially terminal. Deteriorating rapidly, she went on a search to save her own life—from the top experts in Los Angeles and the world-renowned Mayo Clinic in Minneapolis to a state-of-the-art hospital in Chicago. After exhausting all of her options in the US, she discovered a possible cure—but it was highly experimental, only available in India, and had as much of a probability of killing her as it did of curing her. Knowing the risks, Amy packed her bags anyway and flew across the world hoping to find the ultimate cure.

*This Is How I Save My Life* is a powerful and uplifting story of sheer determination for anyone who believes in—or doubts—the existence of miracles and the infinite power of self-healing when it seems like all hope is lost.
