Allison Trowbridge harnesses the power of story in a series of letters to an imagined young woman wrestling with the questions that arise as she stands on the precipice of adulthood.

Our life's journey is our life's destination.

Never in history has a young woman had so many options before her, yet never has she had less direction or guidance on what to do with them. A woman at the precipice of adulthood often finds herself with more questions than answers, with more disenchantment than direction. How is she supposed to “lean in” to a successful career while also building deeply meaningful relationships? How can she care for the community around her while simultaneously developing a global mindset and changing the world? How can she be all that she is destined to be without feeling paralyzed by the pressure of so many prospects?

Allison Trowbridge knows this dilemma well. She remembers stepping into her twenties and wishing for a mentor to guide her through this dizzying season of life. In *Twenty-Two*, she becomes the mentor she was looking for. Drawing from her own experience and from the wisdom of others, she offers advice and counsel in a series of personal letters to “Ashley,” a fictional college student looking for mentorship from someone one step ahead in life.

Over the course of twenty-two letters, Trowbridge addresses a wide range of practical issues and ties them to larger concerns such as identity, loss, social impact as a lifestyle, wisdom in the ordinary moments, and the profound way God's work is realized in how we live every day. Subtly weaving in today's pressing social concerns—from poverty in our neighborhoods to human trafficking across the globe—*Twenty-Two* will inspire a greater sense of mission and a passion to live more fully as young women embark on their own remarkable journeys.
