Statistics show that one in every four marriages is impacted by infidelity. So the odds are pretty good that you or someone you know has experienced the searing pain of marital infidelity. But adultery is not an automatic death sentence for your marriage. You can trust again. You can restore intimacy. You can have a relationship that you will both cherish for a lifetime.

Ten years ago, Gary and Mona Shriver experienced the devastation caused by adultery, and in the course of trying to save themselves, they wrote this book. Raw, transparently honest, the Shriver's story alone is an inspiration, offering hope and practical strategies for healing. Now this updated and revised edition adds other real-life stories of betrayal and forgiveness, and new information defining adultery, including the destruction of emotional affairs. Some doubt if a marriage can truly heal after the ravages of infidelity. Unfaithful proves you can. It's not easy ... but it can be done. Is it worth it? Yes. And you hold the first step—and hope—in your hand.
