With a new foreword by Tim Ferriss • "*Vagabonding* easily remains in my top-10 list of life-changing books. Why? Because one incredible trip, especially a long-term trip, can change your life forever. And *Vagabonding* teaches you how to travel (and think), not just for one trip, but for the rest of your life."—Tim Ferriss, from the foreword

There's nothing like vagabonding: taking time off from your normal life—from six weeks to four months to two years—to discover and experience the world on your own terms. In this one-of-a-kind handbook, veteran travel writer Rolf Potts explains how anyone armed with an independent spirit can achieve the dream of extended overseas travel. Now completely revised and updated, *Vagabonding* is an accessible and inspiring guide to

- financing your travel time
- determining your destination
- adjusting to life on the road
- working and volunteering overseas
- handling travel adversity
- re-assimilating back into ordinary life

Praise for *Vagabonding*

"A crucial reference for any budget wanderer."—*Time*

"The book is a meditation on the joys of hitting the road. . . . It's also a primer for those with a case of pent-up wanderlust seeking to live the dream."—*USA Today*

"I couldn't put this book down. It's a whole different ethic of travel. . . . [Potts's] practical advice might just convince you to enjoy that open-ended trip of a lifetime."—**Rick Steves**

"Potts wants us to wander, to explore, to embrace the unknown, and, finally, to take our own damn time about it. I think this is the most sensible book of travel-related advice ever written."—**Tim Cahill, founding editor of *Outside***
