

Download Venus free Suzan-Lori Parks (PDF, ePub, Mobi)

Suzan-Lori Parks continues her examination of black people in history and stage through the life of the so-called "Hottentot Venus," an African woman displayed semi-nude throughout Europe due to her extraordinary physiognomy; in particular, her enormous buttocks. She was befriended, bought and bedded by a doctor who advanced his scientific career through his anatomical measurements of her after her premature death.
