"Public figures as you rarely if ever hear them: strikingly personal, surprisingly open, and profoundly emotional."

— *Entertainment Weekly*

"I'm British, so I'm medically dead inside, but even I can't help but open up whenever I talk to Marc. He uses his honesty like a scalpel, cutting himself open in front of anyone he's talking to, and in doing so, invites you to do the same."

—John Oliver

From the beloved and wildly popular podcast *WTF with Marc Maron* comes a book of intimate, hilarious and life changing conversations with some of the funniest, and most important people in the world like you've never heard them before. *Waiting for the Punch* features the stories and thoughts of such luminaries as Amy Schumer, Mel Brooks, Will Ferrell, Amy Poehler, Sir Ian McKellen, Lorne Michels, Judd Apatow, Lena Dunham, Jimmy Fallon, RuPaul, Louis CK, David

Sedaris, Bruce Springsteen, and President Obama.

This book is not simply a collection of these interviews, but instead something more wondrous: a running narrative of the world's most recognizable names working through the problems, doubts, joys, triumphs, and failures we all experience. With each chapter covering a different topic: parenting, childhood, relationships, sexuality, success, failures and others, *Punch* becomes a sort of everyman's guide to life. Barack Obama candidly discusses the challenges of the presidency, and the bittersweet moments of seeing your children grow up. Amy Schumer recounts the pain of her parents' divorce. Molly Shannon uproariously remembers the time she and her best friend hopped a plane from Ohio to New York City when they were twelve on a dare. Amy Poehler dishes on why just because you become a parent doesn't mean you have to like anybody else's kids but your own. Bruce Springsteen expounds on the dual nature of desperation to both motivate and devastate.

Full of stories that are at once laugh-out loud funny, heartbreakingly honest, joyous, tragic and powerful, *Waiting for the Punch* is a book to be read from cover to cover, but it is also one to return to again and again.
