Spanning the sweep of the twentieth century, *We Must Be Brave* explores the fierce love that we feel for our children and the power of that love to endure. Beyond distance, beyond time, beyond life itself.

"This stirring debut will work its way indelibly into your heart." --Georgia Hunter, author of *We Were the Lucky Ones*

One woman. One little girl. The war that changed everything.

December 1940. In the disorderly evacuation of Southampton, England, newly married Ellen Parr finds a small child asleep on the backseat of an empty bus. No one knows who little Pamela is.

Ellen professed not to want children with her older husband, and when she takes Pamela into her home and rapidly into her heart, she discovers that this is true: Ellen doesn't want

children. She wants only Pamela. Three golden years pass as the Second World War rages on. Then one day Pamela is taken away, screaming. Ellen is no stranger to sorrow, but when she returns to the quiet village life she's long lived, she finds herself asking: In a world changed by war, is it fair to wish for an unchanged heart?

In the spirit of *We Were the Lucky Ones* and *The Nightingale*, here is a novel about courage and kindness, hardship and friendship, and the astonishing power of love.
