

Download West with the Night free Beryl Markham (PDF, ePub, Mobi)

Beryl Markham's *West with the Night* is a true classic, a book that deserves the same acclaim and readership as the work of her contemporaries Ernest Hemingway, Antoine de Saint-Exupéry, and Isak Dinesen.

If the first responsibility of a memoirist is to lead a life worth writing about, Markham succeeded beyond all measure. Born Beryl Clutterbuck in the middle of England, she and her father moved to Kenya when she was a girl, and she grew up with a zebra for a pet; horses for friends; baboons, lions, and gazelles for neighbors. She made money by scouting elephants from a tiny plane. And she would spend most of the rest of her life in East Africa as an adventurer, a racehorse trainer, and an aviatrix—she became the first person to fly nonstop from Europe to America, the first woman to fly solo east to west across the Atlantic. Hers was indisputably a life full of adventure and beauty.

And then there is the writing. When Hemingway read Markham's book, he wrote to his editor, Maxwell Perkins:

"She has written so well, and marvelously well, that I was completely ashamed of myself as a writer . . . [She] can write rings around all of us who consider ourselves as writers . . . It is really a bloody wonderful book."
