

Download What If It's True? free Charles Martin (PDF, ePub, Mobi)

Years ago, novelist Charles Martin cracked open his Bible and began wrestling with a few fundamental questions. He asked, "What if every single word of Scripture is absolutely true and I can trust it? How do I respond? Something in me should change, but what? How?" This book is the result of that exploration.

With the depth, sensitivity, and emotion that has made his novels beloved to millions, Charles ignites our imaginations as to what the life, ministry, death, and resurrection of Jesus Christ mean to us today. Charles asks, "What if dead and crucified Jesus came back to life by the power of the Holy Spirit and is alive today? Right now. What if that same Jesus, the One who walked out of the tomb shining like the sun, holding the keys of death and hades, is alive in me? I write fiction for a living, and that's either the craziest thing I've ever heard or it's the most important word ever spoken. You and I have a King who did the unthinkable."

The answers that his writer's imagination illuminates for us will change the way we think about the gospel and the way we live because of it.
