Billionaire CEO Dylan Truex was burnt out. Not from his empire, DIRTY GAINS, but from his celebrity status. Having the body he did as well as the motivation to lead the pack, was no longer all it was cracked up to be. Heading to Estes Park for a two-week getaway all by himself sounded like the perfect solution to all his problems. Until he arrives and finds that the condo has been double-booked. Sharing the condo, he can handle. Cute blondie tempting him to break his no-sex bet, err...

When Lina Armstrong runs away from her old life—walking out on her job and leaving behind her family—the best thing she can do is reclaim her true self. No boss. No family. No men. No anybody. Then comes handsome stranger Dylan *Truman* threatening to wreck her alone time at Pine Lake. Yeah, he's cute and all, but so are the elk and that doesn't mean she wants to share a condo with them.

When the blizzard hits and whiteout conditions make it unsafe for either of them to go anywhere, they are forced to stay put in the condo together. What started off as a bad thing, starts to turn into something good. Two weeks with this cocky hard body? Alright, if she must.

It shouldn't be a problem as long as she can keep her hands to herself and stop imagining if his tongue has as much stamina as the rest of his body.
