Secrets are diseases, and my life is full of them.

Going back to where I grew up solved nothing. Coming back home brought no peace. And now—as I look over Anton's last piece of property—I still have no peace.

My godfather's death brought a woman into my life. But a stupid argument ripped her away. I can't stop thinking about her. Wondering about her. Dreaming about her. All I know is I have to see her. I have to feel her body pressed against me again.

Secrets are diseases, and my life is full of them.

But she isn't innocent either. And encounters in my hometown after a brawl in a bar make me wonder if my money is all she's after. Will she forgive the things I said? Can she look past the rumors and see the man I am now? Or are my assumptions of her true?

One thing's for certain. One big, bold truth that keeps me up at night: I think I've fallen for the woman with the thick red hair and the eyes that sparkle with delight.

Warning: This is a steamy romance story that includes adult content suitable for readers 18+
