## Xenophobe's® guide TO THE SWEDES

### Soulful sadness

A common trait among Swedish people is a deeply felt svårmod, a dark melancholy born out of long winters, high taxes, and a sense of being stuck far out on a geo-political and socio-economic limb. They brood a lot over the meaning of life in a self-absorbed sort of way without ever arriving at satisfactory answers.

### Love all

The Swedes indulge in sport for leisure and sex for pleasure. Some people treat sex as a sport in order to combine leisure with pleasure, and thus save time and energy.

### Nurture nature

The Swedes have a dream: to save Nature from Man. This is more than just a vision—it's as close to a passion as the Swedes ever get.

### Net loss

Becoming rich in Sweden has never been easy. As Ingmar Bergman found out, even millionaires can have difficulties making ends meet when income tax is levied at 102%.
