David Becomes Goliath, Volume II of Hart's multi-volume work, ZIONISM, THE REAL ENEMY OF THE JEWS, reveals in well-documented detail starting from 1948 how the assertion that Israel has lived in constant danger of annihilation, of the "driving into the sea" of its Jews, is little more than Zionist propaganda. What really was the case, after Israel unilaterally declared itself to be in existence, was that the Arab armies did not have the ability—neither the numbers nor the weapons—to defeat Israel's forces. Despite some stupid Arab rhetoric to the contrary—a propaganda gift for Zionism of which it has made extensive and ongoing use—the Arab regimes had no intention of even trying to destroy Israel. They were quickly at one with Zionism and the major powers in wanting the Palestine file to remain closed after Israel's first victory on the battlefield. There was not supposed to have been a regeneration of Palestinian nationalism: for them, Arafat's real crime was making this happen. Here, too, is the

riveting story of how Zionism, assisted by deluded British Prime Minister Eden and America's hawks, conned the Western world into believing that Egypt's President Nasser was an enemy of the West when actually he was seeking an accommodation with Israel from almost his first days in power, and wanted more than anything else a relationship with America on equal terms with that of Israel. Hart also takes us inside the struggle of the first and last American president, Eisenhower, to attempt to contain Zionism, and President Kennedy's unsuccessful attempt to prevent the Zionist state acquiring an atom bomb (an acquisition still unadmitted by either the US or Israel, to this very day). But most importantly, Volume II records a turning point: the story of the defeat of reason in Israel, with Ben-Gurion's replacement of Israel's second Prime Minister, Moshe Sharett, who in October 12, 1955 expressed in his diary this prescient fear for the future in view of the ongoing Zionist expansionism of his time: "What is our vision on this earth—war to the end of generations and life by the sword?"
